Date: _____

1. Name of Faculty/Student: _____
2. Designation of the Faculty/Course Name : _____

I understand the inherent risk/threat involved in using remote server connection

I further furnish that :

1. The remote account will not be used for any activities which might pose a security threat to the destination server or to the network in general.
2. The concerned remote user would be solely responsible/accountable for any undesired or damaging activities carried out through his/her remote user account and SCIS has full authority to take any appropriate actions against the concerned user(s).
3. The remote user account will be exclusively used by me. The credentials will not be transferred to any other person.

I have read and understand the above and agree to abide by the rules and regulations. I further understand that non-compliance with the terms and conditions may result in the discontinuation of the remote server facilities.
