

1. Workshop on “Complex Systems” in October 2007.
*This 1 day meeting was organized on October 27, 2007. Eight scientists from all over India were invited to give seminars on various aspects of complex systems research. There were about 100 participants from within as well as outside JNU in addition to the speakers. This meeting was organized by **Supratim Sengupta, Alok Bhattacharya and Ram Ramaswamy.***
2. INCOB 2006 Conference in Dec 2006 at NewDelhi was jointly organized with IIT, New Delhi.
3. Discussion meeting on “Systems Biology” in March 12-13, 2006
4. Workshop on “Algorithmic Approaches in Gene and Genome Sequence Analysis” from September 26 to 28th, 2005.
5. Workshop on Algorithms in Primary Sequence Analysis was organised from 27th to 28th September, 2004.
6. Workshop on “Primary Sequence Analysis” September 12-13, 2003 .
7. International workshop funded by UNESCO “Use of electronic media in Science education”. October 7-12, 2003.
8. Workshop on “Biological Data Base and Data mining” in collaboration with Delhi University South Campus Dec, 2002.
9. Workshop on Molecular Modelling & Drug Design, December 13-14, 2002.
